

Pair of welder's protective gaiters, Type: 15

Order data

Order number	091438 15
GTIN	4067263476672
Item class	02W

Description

Version:

Heat and flame-resistant clothing made of durable and supple soft leather in combination with flame-retardant fabric. Electrically insulated press studs and fire-resistant hook and loop fasteners. The clothes protect against flames, splashes of molten material and radiated heat during welding, grinding or burning.

Welder's protective gaiters for effective protection against flying incandescent chips or sparks.

- **Height 15 cm and circumference between 33 and 43 cm.**
- **Variable adjustment to different sizes thanks to hook and loop fastener.**
- **Elasticated strap for securing under the shoe instep.**

Standard:

EN ISO 11611:2015 Klasse 2 A1 + A2

Supplied with:

1 pairs
