

Modular X18 textile tool rucksack, Type: 1

Order data

Order number	692245 1
GTIN	4003773089056
Item class	64D

Description

Version:

- **Practical and comfortable: fully fold-up front, removable tool board and ergonomic back padding.**
- **Individual: optimum flexibility thanks to innovative FIDLOCK® adapter and MOLLE straps.**
- **Ready for any challenge: with two separate internal compartments for tools, measuring devices, notebooks or tablets.**

Tough fabric made of sustainable recycled synthetic fibres: splash-proof and easy to clean. Waterproof base shell made of impact-resistant plastic for stability when open and closed, 6 cm high. 1 MOLLE strap inside and 4 MOLLE straps outside for attaching any adapters, carabiners, accessories as required. Quick FIDLOCK® connectors: a magnetic fastener allows the chest strap and modular pockets to be fastened or released in no time.

With a total of 21 holders and 37 pockets, some with zip fasteners, which can be locked. Also with case tab for attaching to telescopic handles on tool cases. Tested load capacity: up to 15 kg tool weight. Large tool board in the front can be fixed in various positions.

Material:

Made of tough and sustainable recycled synthetic fibres.
