

**GARANT GreenPlus ear defenders with neck band, Type: 32****Order data**

Order number	097776 32
GTIN	4067263105978
Item class	02E

Description**Version:**

Eco-friendly solution that makes no compromises when it comes to sturdiness and design:
The GARANT GreenPlus ear defenders have more than 60% recycled content in the robust ABS plastic of the shell. The damping pads and sealing rings can be replaced using the hygiene kit (item No. 097782 size 1) – this maintains the protective performance for the long term, extends the life and reduces the risk of infection from contamination.
Ear defenders with handy **neck band**. The textile retaining band with hook-and-loop fastener ensures they do not slip. The adjustable neck band can optimally be combined with other PPE whilst ensuring great comfort. Recycled content in the ABS material: 68%. SNR 32 dB (H = 32 dB; M = 29 dB; L = 25 dB).

Note:

Hygiene kit can be found under No. 097782 size 1.

Technical description

Series	GreenPlus
SNR value (noise attenuation)	32 dB(A)

Sustainability	GARANT GreenPlus
Type of product	Ear defenders
