Description

Version:

The HOLEX Move Two safety shoe is characterised by its lightweight and flexible material, which is breathable and durable. The combination of materials is comfortable and pleasant to wear. The look is complemented by a classic design with modern touches. In addition, the shoe is robust against dirt and damage.

- **Microfibre as upper material.**
- **Textile penetration protection.**
- **Protection against electrostatic discharge (ESD).**
- **Sandwich-mesh functional lining made of 100% polyester, breathable, abrasion-resistant.**
- **Insole made of mesh / PU foam.**
- **Outer sole PU / TPU, black.**
- **Increased visibility through reflective elements.**

Shoe with laces.

Standard:

EN ISO 20345:2022 S1PL SR. ASTM F2413-18.

Note:

See accessories for foot protection for suitable HOLEX shoelaces No. 092862 110, 092863 130 and HOLEX insoles No. 092845 36-48.
