

Auto-start system WirelessCOMBOKIT

Order data

Order number	070237 COMBOKIT
GTIN	4053423240153
Item class	03B

Description

Version:

The auto-start system can be used for all cordless tools with an extraction function. Thanks to the wireless automatic on/off system, the vacuum cleaner is switched on and off automatically (vibration sensor) or via the remote control button (manually) on the cordless tool. This saves valuable time. Easy to mount on the tools thanks to flexible rubber straps.

System status can be read off easily thanks to bright coloured LEDs.

Supplied with:

1 pc. GCA 30-42, 1 pc. GCT 30-42, 3 pcs. flexible rubber straps

Technical description

Plug version	F
Type of switch	manual
Type of switch	Vibration detection
Battery designation	CR2032
Status display	LED

IP Index of Protection	IP 54
Weight	0.7 kg
Power supply	Battery-powered
Width	90 mm
Height	121 mm
Battery type	Button cell
Number of batteries contained	1
Length	91 mm
Packaging	cardboard
