

3M**PVC warning marker tape strong, Colour: YB****Order data**

Order number	083632 YB
GTIN	50021200045856
Item class	08M

Description**Version:**

The 3M™ coloured marking and floor marking tapes are ideally suited for use in situations of building maintenance and for improving safety within the plant. The special structure of the coloured PVC adhesive tapes resists scratching, abrasion, weather and most chemicals. Easy to apply, very supple even on uneven surfaces.

The adhesive tape is suitable for marking out hazard areas and material deposit areas, and for marking corners and edges.

The **3M™ 5702** is striped black and yellow and because it is resistant to abrasion, scuffing, moisture and weather it has a long working life.

Note:

The specified "best before" date for 3M™ products is in relation to compliance with the specified storage guidelines.

Technical description

Backing material	PVC film
Storage humidity	40 - 60 %

Colour	yellow black
Type of adhesive tape	single-sided
Storage temperature	16 - 27 °C
Working life after date of manufacture	18 mo
Liner present	no
Length	33 m
Manufacturer's designation	572
Width	50 mm
Thickness	0.14 mm
Tensile strength	26 N/mm
Adhesive	Vulcanised rubber
Stretch capability	170 %
Adhesive strength on steel	2.1 N/mm
temperature-resistant up to	4 - 77 °C
Type of product	Adhesive tape
