

Spray-on grease White Lithium Grease, 500 ml

Order data

Order number	083058
GTIN	5412386004940
Item class	08E

Description

Version:

General-purpose spray-on grease, white, with PTFE with excellent adhesion. Provides long-term protection and lubrication for moving parts and sliding surfaces (e.g. chains, ball bearings, hinges), even under heavy loadings (up to 120°C). Resistant to water and high pressure. Protects against moisture. Easy to apply, first penetrating then thickening and becoming tacky. Prevents damage caused by wear and corrosion.

Note:

Not available in all countries. Express delivery not possible.

Version: Spray can

Labelling of hazardous substances: GHS02 flammable

Labelling of hazardous substances: GHS07 Caution

hazardous goods class: 2.1

Spray head: Standard

Technical description

Labelling of hazardous substances	GHS02 flammable
Labelling of hazardous substances	GHS07 Caution

hazardous goods class	2.1
Flashpoint	< 0 °C
UN number	UN1950
Colour	white
Spray head	Standard
Spontaneous ignition temperature	200 °C
Boiling point	60 - 100 °C
Solubility in water	insoluble
Contents	0.5 l
Product name attribute	500 ml ml
Version	Spray can
Type of product	Lubricant
