

Ansell**Pair of gloves HyFlex® 11-571, Glove size: 11****Order data**

Order number

094452 11

GTIN

Item class

04P

Description**Version:**

HyFlex® 11-571. Lightweight glove with a very good combination of cut protection, oil repellence and increased durability. **Ultra-lightweight design in cut protection class D.** With reinforced thumb joint for a longer service life. Suitable for touch screens. Suitable for **ESD workstations.**

Standard:

EN 388; EN ISO 21420

Note:

The minimum order quantity corresponds to one pack unit quantity (VPE) or a multiple thereof. Gloves which protect against electrostatic discharges do not insulate the hands against electrical voltages. Not suitable for working on live cables or for protection against electric shock - they protect only the product.
