

Garant GREENPLUS

Textile tool shoulder bag, Type: 1**Order data**

Order number	692230 1
GTIN	4067263125631
Item class	61G

Description**Version:**

The new **GARANT GreenPlus textile bags** combine the best of 2 worlds: They impress with their sustainability while being very comfortable to wear and offering outstanding ergonomics, excellent durability, ideal access and optimum flexibility. They are produced according to the comprehensive and strict standards of the **bluesign®** system, taking into account the needs of people, the environment and resources. Help shape a more sustainable future. With optimised padding system for even better ergonomics and comfort.

Textile tool shoulder bag with 2 generous main compartments:

- **1 main compartment for tools with 15 shaft pockets and 25 rubber loops.**
- **1 main compartment for documents and papers up to size A4 and a padded laptop compartment for laptops up to 15 inches in size.**

There is also a front pocket with orange zip fastener and a mobile phone pocket and business card pocket, pen loops and key holder. There is another zip pocket on the back of the shoulder bag. Splash-proof base with water edge. Adjustable, removable shoulder straps with shoulder padding. On the back there is a suitcase loop to attach the bag to the telescopic handle of a suitcase. With reflector strips for good visibility.
