Textile installer bag, Type: 1**Order data**

Order number	692250 1
GTIN	4067263125648
Item class	61G

Description**Version:**

The new **GARANT GreenPlus textile bags** combine the best of 2 worlds: They impress with their sustainability while being very comfortable to wear and offering outstanding ergonomics, excellent durability, ideal access and optimum flexibility. They are produced according to the comprehensive and strict standards of the **bluesign®** system, taking into account the needs of people, the environment and resources. Help shape a more sustainable future. With optimised padding system for even better ergonomics and comfort.

Textile installer bag with large main compartment with 13 shaft pockets, with elastic closure. 2 short and one long external pocket (with zip fastener compartment) and 3 additional elastic external pockets. Stow-away cover with additional opening for use of the comfortable aluminium carrying handle. Splash-proof base with water edge and 6 stand feet. Adjustable, removable shoulder straps with shoulder padding. With reflector strips for good visibility.
