Description

Version:

The new Elma Sink is an important addition to the overall cleaning process. Once the cleaning process in the ultrasonic unit is complete, the basket can be inserted directly into the Elma Sink. This will ensure that any residues and cleaning chemicals are rinsed off – thoroughly. In conjunction with a suitable rinsing medium, this guarantees optimal cleaning results

Suitable for:

Elma baskets size 60.

Supplied with:

1 pc. Elma Sink M; 1 pc. operating and assembly instructions.
