Order data

Order number	088025 500
GTIN	4067263140559
Item class	01L

Description

Version:

The **GARANT multi-function oil** is ideal for **lubricating, cleaning and protecting**. Thanks to its excellent capillary action, it penetrates deep into the smallest gaps, removes stubborn dirt and ensures thorough cleaning. At the same time, it forms a reliable **lubricating film** that **prevents corrosion**, effectively removes rust films and does not gum up. The versatile spray is **ideal for removing resinous greases and oils and for lubricating** a wide range of components. In addition, it protects against rust and leakage currents, making it perfect for tools, machines, electronic circuits and motors. The GARANT multi-function oil is **free of acids, silicones and Teflon**. Multifunctional oil – rust remover, lubricant and penetrating oil in one. The high-quality multifunctional oil is your reliable helper for maintenance, care and servicing – in the home, in the workshop, in the vehicle sector or in industry. As a versatile penetrating oil, rust remover and lubricant, it combines several functions in just one product.

Multifunctional oil with 5-in-1 effect: Lubricating: Reduces friction and prevents wear on moving metal parts. Removing rust: Effortlessly removes stuck screws, bolts and rusty connections. Cleaning: Removes grease, oil residue, dust and dirt from metal surfaces. Corrosion protection: Forms a protective layer against rust and moisture. Water displacement: Effectively displaces moisture – ideal after exposure to water. **Versatile range of applications:**

Our multifunctional oil can be used universally – as a rust remover for cars, lubricating oil for bicycle chains, care product for tools, door hinge oil, contact spray and much more. Perfect for DIY enthusiasts, professionals and industry.

Application notes:

Simply spray on or apply selectively. Allow to take effect briefly and wipe off with a cloth if necessary. Ideal for maintaining machines, locks, tools, electronic components, garden tools and vehicle parts.

Advantages at a glance:

- **5 functions in one product.**
- **Protects against corrosion in the long-term.**
- **Loosens stuck and rusted parts.**
- **Also suitable as a contact spray.**
- **For the home, cars, workshops and industry.**

Note:

The GARANT multi-function oil is ideal for looking after granite measuring and control surface plates and can be used to full effect in combination with the GARANT GreenPlus Granite Cleaner (431842 500), the specialised cleaning agent for granite comparison scales. Together, they are the ideal solution for cleaning and protection in order to extend the life and precision of your measuring and control surface plates.
