

PARAT®**PARASHERPA® transport box, Type: 1****Order data**

Order number	692280 1
GTIN	4006793004290
Item class	63X

Description**Version:**

Three-piece handlebar made of robust lightweight aluminium with two 360° rotating case carrier plates that allow access to the tool cases at any time without needing to remove them. A toolbox is integrated at the bottom; it has a storage capacity of 48 litres and is ideal for tools. Each tool case is equipped with two tool boards and four toolholders and offers a capacity of 35 litres, in addition to an extra-large base tray with a height of 120 mm. The tool case is opened at the side, and the cover contains a document compartment, two business card pockets and two pen loops. For easy transport, the PARAMOVER® is equipped with non-slip handles made of TPE, which have a nubbed surface. The two free-running wheels have ball bearings and a diameter of 160 mm, ensure that the PARAMOVER® can be moved easily on uneven surfaces and offer a high load capacity.
