

**Indexable insert for turning CC.T 060202, for medium machining****Order data**

|              |                 |
|--------------|-----------------|
| Order number | 260140 HB7035-2 |
| GTIN         | 4069515019668   |
| Item class   | 21G             |

**Technical description**

|                               |                     |
|-------------------------------|---------------------|
| Tool material                 | Carbide             |
| Tolerance                     | M                   |
| Cutting conditions            | heavily interrupted |
| Finishing/roughing assignment | Finishing           |
| Number of changes/inserts     | 2                   |
| Cutting depth $a_p$           | 0.3 - 2 mm          |
| Chip breaker                  | SM                  |
| Main application              | P                   |
| Type                          | HB7035-2            |
| Corner radius                 | 0.2 mm              |
| ISO code indexable insert     | CCMT 060202         |

## Data sheet

|                                      |                              |
|--------------------------------------|------------------------------|
| Feed f                               | 0.08 - 0.3 mm/rev.           |
| Cutting speed $v_c$ main application | 80 - 290 m/min               |
| Type of product                      | Indexable insert for turning |
