

## Guide bush for bore H7, Bush Ø: 32D1mm

### Order data

|              |               |
|--------------|---------------|
| Order number | 290415 32D1   |
| GTIN         | 2050001096371 |
| Item class   | 29J           |

### Description

**Version:**

Without collar.

**Application:**

**Push broaches with identification mark A and guide bushes with identification mark A can be used together.**

The same applies to the other markings. So that the broach can run through to its full height and can drop back again freely, the guide bush must be inserted into the press bedplate at the same time as the workpiece is threaded through.

**Note:**

Further sizes available on request.
