

Guide bush for bore H7, Bush Ø: 22C1mm

Order data

Order number	290415 22C1
GTIN	2050001096333
Item class	29J

Description

Version:

Without collar.

Application:

Push broaches with identification mark A and guide bushes with identification mark A can be used together.

The same applies to the other markings. So that the broach can run through to its full height and can drop back again freely, the guide bush must be inserted into the press bedplate at the same time as the workpiece is threaded through.

Note:

Further sizes available on request.

Technical description
