

**Safety helmet uvex pronamic E, Colour: WHITE****Order data**

Order number	097707 WHITE
GTIN	4066853027362
Item class	04U

Description**Version:**

Lightweight safety helmet made of HDPE (High Density Polyethylene) with closed shell (without ventilation) for use in electrical applications **up to AC 1,000 V** and DC 1500 V. The optimised headband geometry and the large neck support ensure an extremely comfortable fit. The adapter system permits combination with visors, helmet ear defenders and helmet lamps. **Resistant to low temperatures down to -30°C** and protection against splashes of liquid metal (MM).

- **6-point strap attachment**
- **30 mm Euro slot mountings**
- **Synthetic leather sweatband**
- **Straight form**
- **With rotary catch and large neck support**

Standard:

DIN EN 397; DIN EN 50365

Technical description

Width adjustment	Rotary closure
Size	51 - 65 cm
Weight	396 g

Data sheet

Colour	white
Helmet characteristics	Protection against liquid metal spraying out
Helmet characteristics	Electrical insulation
Helmet characteristics	Safety characteristics down to -30 °C
Material of helmet shell	HDPE
Standard	DIN EN 397
Standard	DIN EN 50365
Type of product	Safety helmet
