

**XL 2 Trolley electric tool case, 60 pieces, Number of pieces: 60****Order data**

Order number	680110 60
GTIN	4010995457952
Item class	66H

Description**Version:**

The XL 2 Trolley offers optimal storage space and a variety of organisation options for versatile use. With 92 loops, two plug-in modules, a document and small-parts compartment and individually adjustable base divider, it keeps everything neat and tidy and provides quick access to tools. Ergonomic and insulated screwdriving tools for safe work on electrical equipment, tested according to **IEC 60900**.

- **Easy to transport: extra-long telescopic handle and smooth-running wheels ensure effortless transportation.**
- **Safe: gas pressure dampers prevent it snapping shut unintentionally and protect the fingers.**
- **Robust: Made of resistant polypropylene (PP), ideal for air travel thanks to the air pressure compensation valve.**

Function:

IP67: Protected against intermittent immersion in water and protected against penetration by dust (dust-tight), also completely protected against touching.
