

Garant**Professional cleaning cloth, Colour: GREY****Order data**

Order number	083722 GREY
GTIN	4069515037662
Item class	01A

Description**Version:**

The professional cleaning cloths are the ideal solution for demanding cleaning tasks in industry and trades. Thanks to their fine, highly absorbent fibres, they remove dirt, oil and grease effortlessly without damaging sensitive surfaces. They enable thorough cleaning with minimal use of chemicals, reduce water consumption and are long-lasting. Ideal for stubborn dirt.

- **Polyester and polyamide material.**
- **Washable at up to 60°C.**
- **Dimensions 400×400 mm.**

The **GARANT professional polishing cloth** is **universally applicable** and is the ideal choice for demanding cleaning tasks in industrial and trade areas. Thanks to its dense fabric, it easily absorbs **moisture, dirt, oils and greases** and ensures **thorough, streak-free cleaning on all surfaces**. Its **high absorbency and durability** make it a reliable aid in production facilities and workshops.
