

**Sabre saw blades set, Designation: S325GF****Order data**

Order number	588755 S325GF
GTIN	4059952622323
Item class	54B

Description**Version:**

The PRO Thin Metal S325GF sabre saw blade has been specially developed for cutting very thin metal sheets, such as when working on heating and air conditioning systems. It is equally suitable for cutting non-ferrous metals such as copper sheet and is the ideal choice for heating, ventilation and air conditioning installations.

Application:

For working on very thin metal sheets.

Technical description

Tooth pitch	0.8 mm
Sheet thickness (solid panel)	0.5-1.5 mm
Designation	S325GF
Saw blade material	HSS
Blade length	85 mm
optimised for material	Steel
optimised for material	INOX
Number of blades	5
Propulsive equipment	Sabre saw
Type of product	Sabre saw blade
