| Order number | 588760 22     |
| GTIN         | 4059952536392 |
| Item class   | 54B           |

#### Description

##### Version:

This hole saw combines the best features in a compact design: It is durable, accurate and optimised for high-quality work on sheet metal.

##### Advantage:

- **Long tool life when cutting holes in stainless steel.**
- **Outstanding service life thanks to Bosch Carbide Technology.**
- **Ground and sharpened fine carbide teeth for strength and precision.**

##### Application:

For working on very thin metal sheets.

##### Note:

Power Change Plus quick-clamping adapter and matching centre drill are required. You can find these in our eShop under the following item numbers: Power Change Plus quick-clamping adapter: No. 589795 size 14-152 and No. 589796 size 14-152 Centre drill with ejection spring: No. 589805 size HSS-CO.
