

Carbide hole saw Power Change Plus, Diameter: 40mm

Order data

Order number	588760 40
GTIN	4059952536453
Item class	54B

Description

Version:

This hole saw combines the best features in a compact design: It is durable, accurate and optimised for high-quality work on sheet metal.

Advantage:

- **Long tool life when cutting holes in stainless steel.**
- **Outstanding service life thanks to Bosch Carbide Technology.**
- **Ground and sharpened fine carbide teeth for strength and precision.**

Application:

For working on very thin metal sheets.

Note:

Power Change Plus quick-clamping adapter and matching centre drill are required. You can find these in our eShop under the following item numbers: Power Change Plus quick-clamping adapter: No. 589795 size 14-152 and No. 589796 size 14-152 Centre drill with ejection spring: No. 589805 size HSS-CO.
