Description**Version:**

WypAll® wiping cloth is perfect for high traffic areas. Compatible with the Wettask™ dispenser system No. 089240 K and any cleaning agent, solvent or chemical of your choice.

Description:

- Each refill roll contains 60 white WypAll® Wettask™ cleaning wipes, which can be soaked with the solvent of your choice.
- Designed for use with the Wettask™ roller dispenser bucket; a refillable, airtight wipe system; cleaning wipes can be used with the desired solvents, disinfectants, chemicals or cleaning agents.
- The unique self-closing lid of the Wettask™ system helps to prevent employees from coming into contact with harmful VOCs. The system is closed at all times, thus limiting solvent costs and preventing spillage.
- These WypAll® cleaning wipes are perfect for high-traffic areas in industry and healthcare.
- Compatible with the Wettask™ roll dispenser bucket (Art. No. 7919).

Supplied with:

6 rolls × 60 white cleaning wipes.
