

Garant**Drive set for electrically height-adjustable GridLine workbenches using power tool batteries, Type: 1****Order data**

Order number	928702 1
GTIN	4069515041836
Item class	91F

Description**Version:**

Our height-adjustable workbenches can now also be adjusted in height using power tool batteries. Thanks to the new **GARANT easyFix Flex Power**, the batteries of 22 leading power tool manufacturers can be used for providing mobile power supply to the workbench.

Get your height-adjustable workbench using power tool batteries in just 3 order numbers:

1. Select a workbench from our range:

All GARANT GridLine Ready-to-go and Vario electrically height-adjustable workbenches can be selected for operation with Flex Power:

- **GARANT GridLine Ready-to-go workbenches No. 921401 – 921407, 921441 – 921447, 921561 – 921567, 921607 – 921607**
- **GARANT GridLine Vario workbenches No. 923251 – 923257, 923291 – 923297.**

2. Perforated panel No. 927165 size 550

For lateral mounting of the GARANT easyFix Flex Power

Alternatively, perforated panel superstructures, e.g. No. 928075 or 928076, or desk mounted panels No. 928720 or No. 928725, can also be used for mounting the GARANT easyFix Flex Power.

3. Drive set for electrically height-adjustable workbenches using power tool batteries

Additional item: Converting a mains-powered electrically height-adjustable workbench to operation with a power tool battery requires 24V control, 2 × GARANT easyFix Flex Power and a connecting cable. In addition to this drive set, an electrically height-adjustable GARANT GridLine workbench as well as rechargeable batteries and, if necessary, a matching Scangrip connector No. 081237 must be ordered.

Load capacity of the workbench with 24V control: 200 kg.

Suitable for:

- **GARANT GridLine Ready-to-go workbenches No. 921401 – 921407, 921441 – 921447, 921561 – 921567, 921601 – 921607.**
- **GARANT GridLine Vario workbenches No. 923251 – 923257, 923291 – 923297.**

Supplied with:

2 × GARANT easyFix Flex Power No. 957520 size 12V, 24V control for electrically height-adjustable workbenches, connecting cables.

Note:

No. 928702 is an optional additional item, which can only be requested when ordering a new workbench. It cannot be retrofitted.
