

Garant

4 pcs. hexagon key I-wrench set, with retainer ball chrome-plated, Number of screwdrivers: 9

Order data

Order number	GG6003 9
GTIN	4069515045094
Item class	GGN

Description

Version:

The **spring-loaded retainer ball**, made of high quality steel, retains screws very securely in all positions even when the screw is at an angle. This retention function makes the wrench the ideal tool, particularly when screws have to be inserted and tightened horizontally, at an upward or downward angle or into deep blind holes.

The **plastic clip** enables easy removal of each individual wrench, without the need to move another one.

Material:

Chrome vanadium steel, through hardened (toughened), surface chrome-plated.

Content:

4 each L-wrench No. 627128 – from size 3 mm with retainer ball: Size 1.5; 2; 2.5; 3; 4; 5; 6; 8; 10
Presented in: Plastic clip
