

**Metal hose system 1/2 inch, Type: T****Order data**

Order number	084411 T
GTIN	4037728070769
Item class	08J

Description**Version:**

Flexible coolant hose system for precise transfer of coolant and air. Due to its **high-quality stainless steel** design, the hose system is also suitable for use in areas and sectors with high corrosion resistance and hygiene requirements. The most comprehensive system on the market with a total of 4 system sizes. Compatible with all common tool carrier systems. **The metal articulated hoses are also pre-locked, i.e. the coolant hose keeps its position even when not screwed in.** With the stainless steel design, the components achieve a much longer tool life and can also **be used at up to 50 bar high pressure.** **T-angle distributor** for efficient branching of media flows **with two outlets.**

- **Single component for system size 2 = 1/2 inch**
- **Modular plug-in system**
- **Can be used up to 50 bar high pressure.**
- **Made of high-quality stainless steel.**

Note:

Size SET-1 to SET-4 are pre-assembled complete cables for direct connection. All system sizes (0-3) with all corresponding individual components such as connectors, adapters or nozzles are available on request.

Technical description

Type of product	Cooling system
