

Comfort safety glasses 5X2 Essential, Lens tinting: CLEAR

Order data

Order number	096703 CLEAR
GTIN	8052101274066
Item class	04H

Description

Version:

Compact, versatile, powerful – that's the 5X2 Essential.

The safety goggles adapt flexibly to any frame and offer a 15% wider field of vision – without the typical bulkiness of classic OTG models. The robust LeXXy frame impresses with its high impact resistance and improved chemical resistance.

Feature:

- **Perfect integration with any prescription glasses.**
- **Arms with rubber connections or matt finish.**
- **Ends of the arms made from rubber.**
- **Frame made from new material.**
- **Integrated side guards.**
- **Polycarbonate glass.**
- **Scratch-resistant and anti-fog.**
- **ISO 16321 and ANSI-certified.**
- **UV385; UV400.**

Advantage:

LeXXy

ADVANTAGES OF THE NEW MATERIAL FRAME

CHEMICAL RESISTANCE

Resistant to automotive fluids, alcohols, cleaning fluids, food ingredients, pool and spa chemicals and health and beauty products.

HIGH IMPACT RESISTANCE

As with polycarbonates.

PERFECT LARGE-SCALE INTEGRATION

The 5X2 goggles are designed to adapt seamlessly to any glasses frame, whether thin or thick.

Our 5X2 OTG offer the same level of protection as traditional goggles, but are fully compatible with your prescription glasses and offer unrivalled comfort and safety.

Standard:

EN ISO 16321
