

Box attachment (extension) for boxes for industrial vending solution HOLEX 24seven Level, Type: S

Order data

Order number	979480 S
GTIN	4069515043274
Item class	9SW

Description

Version:

The box attachments are designed specifically for the boxes of shelf types **S** and **M** and are supplied as a set with the appropriate number of attachments per shelf. They optimise the volume of storage space per box.

- **Easy installation: The attachment is bent into a U-shape by hand and attached to the box using integrated pins.**
- **Note: After installation, the box must be tared again to ensure the weights are correctly recorded.**

Application:

System compatibility: Suitable for HOLEX 24seven LEVEL systems.

Supplied with:

7 pcs. box attachment for 7 boxes, small.

Note:

Spare parts and accessories must only be installed and replaced by qualified personnel and in accordance with the applicable warranty, safety and manufacturer specifications.
