

Polarshine liquid surface polishing compound, Type: 12B

Order data

Order number	552430 12B
GTIN	
Item class	56M

Description

Version:

Polarshine® 12 Black is a water-based silicone-free polishing paste designed to quickly and permanently remove sanding scratches on industrial paints from P2000 and finer, leaving a hologram-free deep-gloss finish. Specifically developed for dark surfaces and composites. Ideal for gel coats, high-gloss lacquers and exposed carbon fibre.
