

Polarshine liquid surface polishing compound, Type: 45

Order data

Order number	552430 45
GTIN	
Item class	56M

Description

Version:

Save time and still achieve a perfect deep-gloss finish with Mirka's Polarshine 45. Ideal for marine and industrial applications, in both production and restoration processes. After sanding with P600, scratches or heavy oxidation are removed. The Polarshine 45 water-based and silicone-free polishing compound restores colour and a deep gloss to faded surfaces.
