

## Quick-change retractable toolholder without tool, Type: AFG

### Order data

Order number	318700 AFG
GTIN	4045197316325
Item class	36A

### Description

#### Version:

Quick-change retractable toolholder for external threading.

#### Advantage:

The main advantage of this holder is that the threading insert can be quickly moved away from the component by an eccentric mechanism when the thread runout is attained. The cross slide for the next cut of the threading bar can be advanced during the return pass. The threading insert can be rotated according to the helix angle of the thread to be cut.

#### Application:

With threading tool holder for Komet threading inserts.

suitable for 318000: A

Length: 150 mm

### Technical description

Length	150 mm
suitable for 318000	A
Type	AFG
