Description

Version:

Cleaning refers to the process of removing stains/spots and contamination from surfaces, machines or tools using wipes which are used either dry or with water, solvents or cleaning agents.

The multi-purpose Tork Cleaning Cloth is soft and flexible, yet strong. It is ideal for most lighter cleaning tasks, and quickly absorbs both oils and liquids, which makes your cleaning efforts easier. This cloth can be used in either the Tork Floor or Wall Stand dispensers, which are developed for safety, efficiency and reliability, or the Tork Maxi Centerfeed or Boxed Combi Roll Dispenser, which are designed for smoother single-hand dispensing.

Take advantage of Tork exelCLEAN® non-woven cleaning cloths for maximum efficiency in your working environment.
