

Universal lubrication stick chlorine-free 300 g

Order data

Order number	084120
GTIN	2050000966361
Item class	08J

Description

Version:

Cutting compound for spot application. Straightforward application(dip or apply). Adheres to the cutting edge and only becomes liquid in use; very good lubrication properties, very high pressure stability.

Lubrication stick for spot application.

Advantage:

Improves **tool-life, cutting performance** and **surface quality**. **Chlorine-free** - releases no hazardous vapours, **non-polluting**.

Application:

Multi-purpose compound for **tapping, reaming, milling, broaching, and sawing**.

Indispensable when cutting **difficult materials** such as stainless and heat-resistant steels, nickel alloys, titanium, and similar alloys.

Technical description

Version	Stick
Colour	yellow-brown

Flashpoint	270 °C
Spontaneous ignition temperature	350 °C
Shape	Paste
Storage temperature	5 - 40 °C
Contents	0.3 l
Type of product	Multi-function oil / universal oil
