

PLANOLITH

Duplex lapping and control surface plate in a wooden case

Order data

Order number	431400
GTIN	4045197234025
Item class	46H

Description

Version:

Of dense, aged special grey cast iron. Lapping and surface plate combined in a single plate. Upper and lower surfaces are ground to the finest finish. The lapping face is slotted in a grid pattern, external surfaces ground. Upper and lower parts of the wooden case (included in the price) are removable. The side, which is not in use, is therefore always protected. Unmachined faces are enamel painted (RAL 7001 grey).

Standard:

Genauigkeit DIN 876/1.
