

## Machine mount, Type: 99001004

### Order data

Order number	077614 99001004
GTIN	2050001676801
Item class	03H

### Description

#### Version:

The working height can be adjusted easily by means of gas pressure springs. Great stability due to robust construction.

- **Machine mount with integral motor for highly effective double extraction.**
- **Cassette filter for effective air cleaning**
- **The flexible, heat-resistant steel extraction tubes and the integral metal chip collection box are resistant to red-hot sparks.**

#### Application:

With belt finishing modules applicable as a belt finishing machine, with expansion modules applicable for radial, longitudinal, flat, centreless grinding and deburring.

### Technical description

Manufacturer's designation	Suction mount GIBE
Weight	55 kg
Power consumption	350 W
Type of product	Machine mount
