Description

Version:

The safety glasses in **modern and sporty design** offer impressive innovation and wearing comfort. Due to the soft forehead and nose pad moulded directly onto the lens, the glasses offer **perfect eye area covering** and high protection even when working overhead. Because of the uvex supravision excellence lens coating, the glasses are **condensation-free** on the inner surface and extremely **scratch resistant** and resistant to chemicals on the outer surface. Optimum adaptation to any shape of head and secure retention by X-Twist technology. The **slim side arm geometry** also enables a convenient combination with other personal protective equipment.

Standard:

EN 166 EN 170
