

Comfort safety glasses uvex i-3, Lens tinting: AR

Order data

Order number	096501 AR
GTIN	4031101630984
Item class	04U

Description

Version:

Innovative safety glasses with **integral Softflex zones** on arms, bridge, and brow area for **excellent wearing comfort and optimum fit to every shape of face**, even when worn for long periods. Permanently free of condensation, as well as extremely scratch-resistant and chemical resistant due to uvex supravision excellence coating. With **anti-reflective coating** on both sides for optimum vision under natural and artificial light. The high-quality **anti-glare correction** permits working on light-coloured reflective components without tiring the eyes. **Transmission:** approx. 96.5%.

Standard:

EN 166; EN 170
