

Comfort safety glasses SecureFit™ 400, Lens tinting: BLUE

Order data

Order number	096205 BLUE
GTIN	4054596052833
Item class	04M

Description

Version:

Extremely flexible safety glasses in a sporty design; with their **19 g weight** they are amongst the lightest in their class. Due to the **special arm pressure distribution technology** the arms fit the shape of the head perfectly and reduce the pressure on the ears. The innovative design ensures comfortable seating and increases wearer acceptance significantly. Wearing comfort is also improved by the **adjustable nose pads** and soft **padded ends of the arms**. The slim design of the glasses allows easy combination with other personal protective equipment. With **blue mirror lens** for **more protection in naturally intense light** (direct sunlight, reflected light).

Transmission: 13%.

Standard:

- **Outstanding adaptation to any shape head.**
- **Secure fit even during intensive movements.**

Standard:

EN 166 EN 172
