

Very fine polishing fleece ring set, 3 pieces for matting, Ring Ø: 100mm

Order data

Order number	555735 100
GTIN	4013349630346
Item class	56Z

Description

Version:

The **folded cloth rings** are wound round a metal core (mounting); **each set consists of three rings.**

Very fine structure, economical consumption of polishing paste, long tool life - no fraying.

Unipol® Cloth ring wrapped around metal core (support).

Application:

The folded cloth rings can be clamped in any number and width. For use with polishing pastes.

Can be used from smoothing up to high gloss polishing **of metals** (circumferential speed approx. 25 – 30 m/s).

Very fine polishing fleece is used for bringing up a gloss finish on all metals and plastics.

Note:

For clamping mandrels for cloth rings see No. 555785.
