

uvex

Earplugs uvex com4-fit, Type: 6

Order data

Order number	097330 6
GTIN	4031101578620
Item class	04U

Description

Version:

Very soft earplug of polyurethane foam, which gently moulds itself to the anatomical shape of the auditory canal. The sealed surface prevents the accumulation of dirt and the penetration of foreign bodies. The patented x-grip technology facilitates quick and correct insertion and removal of the earplug, and reduces the expansion pressure, thus achieving high wearing comfort even when worn for long periods.

The compact design is particularly suitable for wearers with **narrow auditory canals**. SNR = 33 dB (H = 33 dB, M = 30 dB, L = 29 dB). Refill pack with 6 pairs loose

Note:

Also available with head band under No. 097617 size 100.

Material of earplugs: Polyurethane

SNR value (noise attenuation): 33 dB(A)

Contents: 6 pair

Packaging: loose
