

Garant
BMT boring bar toolholder, BMT: 55/D

Order data

Order number	319888 55/D
GTIN	4045197877468
Item class	31V

Description
Version:

For internal and external cooling.

High-precision arbors adapted to the specific machine, for flexible use on main and counter-spindle machines. Contact face and functional face ground. Spring-mounted pressure pad for uniform clamping of the turning tools. Perfectly matched for the respective lathe. With secured ball injection nozzles up to 80 bar. Burnished for better corrosion protection.

Application:

For internal machining with boring bar holder or indexable drills.
