

BMI[®]**Tape measure, stainless, Tape length: 2m****Order data**

Order number	462130 2
GTIN	4007368113423
Item class	46M

Description**Version:****V2A version** with stainless bright measuring tape.

A particularly lightweight and handy tape measure for professional use. Body of glass fibre-reinforced polyamide. **With push button for tape lock and automatic return.** Plain bearing of special TRIBOCOMP[®] material with Teflon ensures **smooth gliding** and exceptionally easy running. Innovative dampers of special rubber absorb the reaction energy and protect the wrist. A special clear lacquer protects the tape against wear. The **additional anti-glare correction** ensures clear visibility under all light conditions.
