

Ear defenders Bilsom® Viking®, Type:

Order data

Order number	097763
GTIN	7312550109250
Item class	09A

Description

Version:

Ear defenders with flexible universal band for a variety of wearing positions such as: on the head around the neck or under the chin. The additional head hand ensures secure seating. This allows a simple combination with other personal protective equipment (helmet or dust mask). With air flow control™ technology which offers optimum acoustic performance in all frequency ranges. Internally ventilated headband, which reduces the pressure on the head and is breathable hot or damp environments. Dielectric design, suitable for all working areas, especially in the electrical industry. SNR = 30 dB (H = 32 dB, M = 28 dB, L = 21 dB).

Note:

Hygiene set for Bilsom® Viking® under No. 097761.
SNR value (noise attenuation): 30 dB(A)

Technical description

SNR value (noise attenuation)	30 dB(A)
