

uvex

Respirators, set uvex silv-Air series 7000, Filter: P2V

Order data

Order number	097140 P2V
GTIN	4031101589138
Item class	04U

Description

Version:

High-performance respirators of a new dimension. **Klimazone system with three grooves** for comfortable and cool micro-climate under the mask. As well as the exhalation valve, **two extra filters** ensure a reduction in the breathing resistance. The **flexible textile headband** can be configured individually using the neck clip. The precise nose clip shape and a soft **continuous sealing lip** ensure a leak-tight and secure seating.

Note:

This FFP2 mask filters at least 94% of all particles from the air, thus offering protection against liquid and solid aerosols. Respiratory mask FFP2.

Screen characteristics: all-round sealing lip

Screen characteristics: re-usable

Screen characteristics: adjustable headband

Set contents: 3

Manufacturer's designation: 7233

Protection level: FFP2 R D

Contents: 3

Technical description

Screen characteristics	all-round sealing lip
------------------------	-----------------------

Screen characteristics	re-usable
Screen characteristics	adjustable headband
Contents	3
Protection class	FFP2
Valve	yes
Manufacturer's designation	7233
Protection level	FFP2 R D
Set contents	3
Type of product	Particle filter mask FFP2
