

uvex**Respirators, set uvex silv-Air series 7000, Filter: P3V****Order data**

Order number	097140 P3V
GTIN	4031101507255
Item class	04U

Description**Version:**

High-performance respirators of a new dimension. **Klimazone system with three grooves** for comfortable and cool micro-climate under the mask. As well as the exhalation valve, **two extra filters** ensure a reduction in the breathing resistance. The **flexible textile headband** can be configured individually using the neck clip. The precise nose clip shape and a soft **continuous sealing lip** ensure a leak-tight and secure seating.

Note:

This FFP3 mask filters at least 99% of all particles from the air, thus offering protection against liquid and solid aerosols. Respiratory mask with protection class FFP3.

Screen characteristics: re-usable

Screen characteristics: all-round sealing lip

Screen characteristics: adjustable headband

Set contents: 3

Manufacturer's designation: 7333

Protection level: FFP3 R D

Contents: 3
