

Mantis® Elite Flexible stereo viewing system with pivoting stand, Type: E

Order data

Order number	491904 E
GTIN	2050001063403
Item class	49B

Description

Version:

Clear, distortion-free, three-dimensional magnification displaying correct colours and positions using patented process. Viewing screen instead of eyepieces makes for non-fatiguing ergonomic inspection as if using a magnifying glass with a large field of view. No need for the eyes to refocus when looking at the component after viewing the screen.

With universal pivoting stand and extra large working and pivoting range.

Supplied with:

With mains adapter (110 V / 60 Hz to 230 V / 50 Hz), **without** lenses.

Optional extras:

Lens No. 491905.

Magnification with special accessories (times): 4 – 20

Brightness of incident light: 11000 lx

Number of LEDs: 24
