

**Diamond handy file, 215 mm Grit D126 (medium) general-purpose, Type: 1****Order data**

Order number	529150 1
GTIN	4007220017302
Item class	53B

**Description****Version:**

Equivalent to needle files No. 529220, however made from blanks similar to the Habilis files No. 527060 (thicker cross section, high-strength forged tang); approx. **3 times the coated area** of needle files.

**Application:**

For filing **hardened steels, hard metal, glass, ceramic** and **fibre-reinforced plastics**. Use **light pressure** for filing, particularly on edges. Heavier pressure does not increase the removal rate but damages the file.

**Technical description**
