

**Diamond handy file, 215 mm Grit D126 (medium) general-purpose, Type: 5****Order data**

|              |               |
|--------------|---------------|
| Order number | 529150 5      |
| GTIN         | 4007220017333 |
| Item class   | 53B           |

**Description****Version:**

Equivalent to needle files No. 529220, however made from blanks similar to the Habilis files No. 527060 (thicker cross section, high-strength forged tang); approx. **3 times the coated area** of needle files.

**Application:**

For filing **hardened steels, hard metal, glass, ceramic** and **fibre-reinforced plastics**. Use **light pressure** for filing, particularly on edges. Heavier pressure does not increase the removal rate but damages the file.

**Technical description**

|                            |            |
