

**3M****Respirators, set Series 8800+, Filter: P3V****Order data**

Order number	097100 P3V
GTIN	4054596076853
Item class	04M

**Description****Version:**

The Premium Mask series 8800 + in Hybrid Design ensures an **optimum three-dimensional seal around the face**. Due to the **flexible material**, the mask adapts individually to the shape of face and permits **secure seal seating**. The mask is adjustable by the extra-wide **four-point band attachment**. The **3M™ advanced Electret filter medium** ensures easy breathing at consistently high filter effectiveness. This feeds the air optimally to the face. The **3M™ Cool Flow™ exhalation valve** allows dispersal of the exhaled heat and moisture, which also significantly reduces the occurrence of condensation on the glasses. **Can be re-used.**

**Note:**

This FFP3 mask filters at least 99% of all particles from the air, thus offering protection against liquid and solid aerosols. Respiratory mask with protection class FFP3.

**Technical description**

Protection class	FFP3
Manufacturer's designation	8835+
Contents	5
Product features	all-round sealing lip
Product features	re-usable

Product features	adjustable headband
Protection level	FFP3 R D
Set contents	5
Type of product	Particle filter mask FFP3
