

**Respirators, set Series 8300, Filter: P1V****Order data**

Order number	097102 P1V
GTIN	4046719975662
Item class	04M

Description**Version:**

The series 8300 pre-formed mask has many **comfort features** which combine reliable protection and high comfort for the wearer. A **long working life** is achieved by the use of **high-quality components** such as textile web straps and a stable mask body. The **M-shaped nose clip** quickly and easily adapts to all nose shapes. The accumulation of heat and moisture within the mask is avoided by use of the **3M™ Cool Flow™ exhalation valve**. The particularly soft inner fleece ensures safe and comfortable seating. **Low respiratory resistance** due to the high-performance filter medium.

Note:

This FFP1 mask filters at least 80% of all particles from the air. Respiratory mask with protection class FFP1.

Screen characteristics: flexible nose clip

Set contents: 10
